

NEWSLETTER SEPTEMBER 09

Over the summer holidays much has happened but there is still much to do;

- A play area designer has been appointed to produce a design including potential new play equipment, natural play and new landscaping
- A conditional Play Pathfinder grant of £45,000 has been awarded for the project.
- To secure the grant completely the second part of the application has to be completed by the end of September which includes consultation on a final design
- Ensure that the remainder of the required funding is in place, this could be up to £40,000
- Friends of the Rec have launched £5,000 community fundraising target to help
